Pray for:

- ... the leaders of all these churches that they may know God's will for their church and give them wisdom and ability to do His will.
- ... all those who have positions of responsibility within their church that they may faithfully serve God and their leaders with integrity.
- ... all the members of all these churches, their friends and families, particularly those who do not have a living relationship with Jesus.
- .. all the outreach undertaken by members of all these churches as they minister to the communities around them.
- ... all the organisations within each church that they may serve God and their community.
- ... for good relationships between the leaders of all these churches and that they may work together to make disciples of all those in Petersfield and the surrounding towns and villages
