Pray for:

- ... honest and integrity of those who have responsibility for organising and running their club.
- ... creativity and new ideas to enhance the activities of the club.
- ... good relationships within the clubs and between the club and our town.
- ... a good number of new members to ensure that the club continues to run and flourish.
- ... the facilities necessary for the club to function – for sufficient funding to maintain and enhance these facilities.
- ... Christians who are members of these clubs, that they can provide a Godly input.
- ... fun – that those involved in clubs, especially those that provide a service to the town, may enjoy whatever they undertake!
