Pray for:

- ... the integrity of staff who can have such an influence on young lives.
- ... other staff: administrative staff, cleaners, ground staff etc that they will work to enhance all the activities of the playgroups.
- ... those responsible for the group, for their relationship with staff, parents and authorities.
- ... good relationships between the children, that they can learn to play together and begin to learn how to share.
- ... the safety of children as they use toys and play equipment.
- ... parents as they juggle the responsibility and logistics of transporting children to and from pre-school play groups and schools.
- ... safe journeys to and from play groups
