

The Town of Petersfield: Transport

Petersfield is well provided with transport links: we are just off the A3 – the main Portsmouth to London road; we are on the main railway line; there are good bus services and several taxi companies operate from the town.

Petersfield is not far from both Heathrow and Gatwick airports.

Pray for:

- Safe travel by whatever means people take.
- That roads and railway tracks may be maintained in an efficient and safe manner.
- Drivers, cyclists and pedestrians as they travel around and within the town.
- Good communication between drivers and navigators as they plan and execute their journey.
- Local taxi companies, that their drivers may be punctual, courteous and honest.
- Those who use local taxis, that they may be punctual, courteous and honest.
- Drivers of local buses, that they may be particularly careful when driving on narrow country roads.
- Those traveling from the Petersfield area via Heathrow or Gatwick to destinations across the country and the world – for a safe journey and a happy holiday or good business trip.
