

PRAYER TREE...

The prayer tree will be used to remind us of the new shoots and growth that can happen on a tree. We want to be part of new shoots and growth within a child's life when it comes to their journey with God rather than a distraction or someone who 'hinders' a child's faith development.

Pray:

- ... Let's pray and encourage our children as they develop and grow and experience God.'
- ... 'Choose a leaf, write the name of a child that you would like to grow and experience the love of God.
- ... How will you encourage this child as they seek to learn more about God?
- ... When you have finished add the leaf to the tree
