## Life Church Petersfield

Life Church Petersfield, formerly Petersfield Christian Fellowship, is a church that has grown and developed over more than 35 years and is a part of the spiritual life of our town. Our vision is to express the life of Jesus in our lives so that others around us will be attracted by Him and be drawn to Him so that they may have their own relationship with our Lord Jesus Christ. To put it simply... we want to be like Jesus in our community. To do this we need to be a people who love God, love others, live a holy life and tell others the good news about Jesus.

You would be very welcome to come along to Life Church Petersfield. We enjoy informal worship, a relaxed family atmosphere and good preaching. Our aim is to be always led by the ministry of the Holy Spirit. We want to "be church" rather than go to it, so friendship and mutual support throughout the week are very important to us.

## Prayers for Life Church

- The first is to pray God's best and His blessings for our dear friend Mark Grimwood in Wenham Holt out at Rake. He has now been in a comatose state for over a year following surgery last February.
- The second is that we have heard we must vacate our church office quite soon. The property is to be sold so we are currently talking and praying about what and where next! We think we have until about June before we must pack up...
