## The Salvation Army Petersfield

The Salvation Army in Petersfield is a warm and inviting church catering for all ages, and where possible, serving the community in the ways that the Salvation Army have traditionally worked.

Worship is varied to enable all ages to praise God, and is based on Holiness and Salvation teaching. We also hold house groups during the week to study the bible, a family mid-week meeting and a regular weekly Coffee Mornings.

## Prayers for The Salvation Army Petersfield

- That our new venture with various agencies in the town will help those who struggle with addiction, debt, and basic needs of life
- That our young peoples work will continue to grow through those who choose to join us in worship, and through our community work
- Our membership—that they will continue to learn and carry out the truth of Jesus Christ through the Salvation Army and in their personal day to day living
