

Prayer Stop 2: Winton House

Winton House Centre is an independent registered charity. It is based in the centre of Petersfield on the High Street with the aim of supporting the local community. We enable people to come together.

At the Pop-In Tea Room they provide a welcoming and affordable place for you to relax and meet friends, or feel comfortable coming on your own. Their friendly volunteers will make you feel at home.

The information desk holds details about resources and services in and around Petersfield which are particularly useful for older people. You can book transport to take you to GP and hospital appointments and find out about local Age Concern services.

They run games afternoons, a Memory Cafe for those living with dementia, and have a programme of outings for the over 65s.

Suggestions for Prayer

- Thank God for the Staff and Volunteers of Winton House, who help to keep the pop-in Café going, serving the community, particularly those who are lonely
- Pray for the Memory Café which has been running for a year, and meets once a month to support those with Dementia
- Pray for Sheridan and her team who operate the Information Desk to support and sign post people to organisations who can help
