

# Prayer Stop 4: Care for the Elderly

## Suggestions for Prayer

- Thank God for those who feel called to help those who need lots of care, particularly the elderly
- We pray for those who travel vast distances to visit homes, providing care in the community
- We pray for those who work in residential homes: Steep House (LRH Homes) and Stroud and Downs House (South Downs Care)
- Thank God for the 20 years work of The Rosemary Foundation, who visit those who have a terminal illness. We thank you for the love and respect that they give to each patient and his/her family
