Petersfield Town Chaplaincy - training

The PTC has been running training for three years now and we would be delighted to open the course to any Christian in Petersfield whether they want to be active supporters, or prayer partners, or just gain confidence in what they are already doing. The next training session will be in the New Year and will be open to anyone wanting to learn more about sharing their faith, whether serving coffee, going to work, or doing the shopping. The training can really make a difference and most of the answers will be found in the Bible. If you are already thinking:- How can I share my faith? I wish could be a good witness. Can you help me get over my guilt about not standing up for Jesus? I want to be equipped to be able to share the Good news! I don't seem to show my faith to friends, family and colleagues, what can I do? Then perhaps this will help. The training consists of two sessions learning Biblical truth and then one or two sessions based on the Acorn Healing trust's Listening Course. They are usually in the evening spread over 3 or 4 weeks. This course will equip you for everyday life and give you the confidence and training to see answers to our prayers 'may your kingdom come may your will be done'...
